When all the results were in and the scores added up, both teams were seen to have exactly the same number of points so there was no outright winner – apart from the Seniors' Charity CELEBRA that is, which benefited considerably from the generosity exhibited by the members through their additional contributions to the charity today. Thank you all so much.

**Each winning singles player, or pairs team, received a bottle of wine –  
CONGRATULATIONS TO EVERYONE WHO PLAYED AND DONATED MORE MONEY!!!**
